

# Be inspired at Floriade Expo 2022

For six months, from 14 April 2022 onwards, Almere will provide the stage for the International Horticultural Exhibition Floriade Expo 2022. The 60 hectare Floriade park will provide a plethora of greenery and sustainable technology with its theme: Growing Green Cities.

This living laboratory will touch all your senses. Inspiring gardens, conferences, workshops and exhibitions alongside impressive attractions, surprising tastings, art and culture.

And whether you visit Floriade alone or with a group, you won't want to miss the following:

- The 850-metre cable car service
- Gardens and pavilions created by over 400 national and international participants
- Daily cultural programme featuring dance, theatre and music
- Excellent food & beverage facilities
