You design our greenest city, we build your design; together we develop the most sustainable city. You appoint the architect.	You choose the architect and request Floriade Expo 2022 to appoint him. <small>(Might be beneficial with regards to tender procedures)</small>	You choose one of the five Green Embassy designs from Dutch architects appointed by Floriade Expo 2022.	Design and construct by participant in line with ambitions of Floriade Expo 2022 and Green Embassy. Including landscape design.	Space request in a greenhouse for a tropical exhibit, not suitable for the Dutch outdoor climate or because of the concept.	Request for a lot to contribute with a landscape design with the potential of a park as part of the new city district.
